

Cash Pool Objective: The goal of the Cash Pool is capital preservation with a secondary objective of current income. The pool utilizes an SEC-registered money market fund and also invests in FDIC insured CD's at local community banks through the CDAR's Program. Expected annual fees are estimated to range from 0.10% to 0.20% per year.

Short-Term Pool Objective: The goal of the Short-Term Pool is to provide current income consistent with short-term fixed income investments with a secondary objective of capital preservation. The pool utilizes a combination of active and passive fixed income investment managers. Expected annual fees are estimated to range from 0.50% to 0.70% per year.

Intermediate-Term Pool Objective: The Intermediate-Term Pool is structured to prioritize intermediate-term growth over capital preservation. The pool is a diversified portfolio composed of global stocks and bonds, including real estate (REITs), and natural resource. The fund utilizes a combination of active and passive investment managers. Expected annual fees are estimated to range from 0.50% to 0.70% per year.

Long-Term Core Diversified Pool Objective: The Long-Term Core Diversified Pool is structured to prioritize long-term growth over capital preservation. The pool is a diversified portfolio composed of global stocks and bonds, including real estate (REITs), natural resources, and alternatives, including hedge funds and private equity. The fund utilizes a combination of active and passive investment managers. Expected annual fees are estimated to range from 0.60% to 0.80% per year.

Long-Term Environmental, Social, Governance (ESG) - Impact Pool Objective: The Environmental, Social, Governance (ESG) – Impact Pool is based on a belief in community, equity and sustainable business, and its assets mirror the core values of EBCF and many of our donors. The composition of this diversified portfolio is similar to our current Long Term Pool composed of stock, bonds and money market. Expected annual fees are estimated to be 0.60% per year.

LONG TERM ESG - IMPACT POOL

March 31, 2019

Fund Objective: The goal of the ESG - Impact Pool is capital appreciation and is appropriate for Fund Holders with a grantmaking horizon greater than 7 years and annual spending less than 10%.

ESG – Impact mirrors the core values of the East Bay Community Foundation and many of our donors. Beyond direct impact investing, ESG - Impact enables you to take an active role in influencing the behavior of public companies, including their impact on the environment, adoption of sustainable business practices, contribution to local communities, and promotion of diversity and gender equality in the workplace, to name just a few. Expected annual fees are 0.60% per year.
