

South Bay BLO Poll Results

The following data was collected from the 5/17/19 ASCEND:BLO Networking Event hosted at The Silicon Valley Community Foundation. Results reflect respondents' experience and involvement in Black-Led Organizations situated in Silicon Valley and the South Bay.

- Insights & Questions**
- Explore participation of faith based organizations; especially churches.
 - Is there any opportunity to engage with BLOs that are not non-profit organizations?
 - Connect with universities to create opportunities for local black students.
 - Speaking with C-Suite leaders to change the narrative about Black-Led Organizations.
 - Identifying and taking inventory of each organization's people, needs and intended impact could lend value.
 - Interested in investment in organizations between 5 and 10 years in maturity versus only the 10+.
