

LONG TERM ESG - IMPACT POOL

June 30, 2019

Fund Objective: The goal of the ESG - Impact Pool is capital appreciation and is appropriate for Fund Holders with a grantmaking horizon greater than 7 years and annual spending less than 10%.

ESG – Impact mirrors the core values of the East Bay Community Foundation and many of our donors. Beyond direct impact investing, ESG - Impact enables you to take an active role in influencing the behavior of public companies, including their impact on the environment, adoption of sustainable business practices, contribution to local communities, and promotion of diversity and gender equality in the workplace, to name just a few. Expected annual fees are 0.60% per year.
