Entrepreneur Contact Information:

[Progeny Coffee](#) was founded by Maria Palacio, who was born and raised in a coffee plantation in the heart of Quindio, the famous coffee region of Colombia. Growing up, she built a passion for coffee and a deep relationship with growers that allows Progeny Coffee to bring the most premium coffees to the market.

Contact: Maria Palacio, maria@progenycoffee.com

[Piikup](#) is a socially responsible delivery service that supports the local small and emerging businesses that are the backbone of thriving communities. Piikup has an unwavering commitment to provide a safe, inclusive, and educational work environment to those who otherwise have been or feel disadvantaged and are ready to change their narrative.

Contact: April Fenall, april@piikup.com

[Jubily](#) is a platform and network that aims to increase equitable access to healthcare to ultimately improve healthcare outcomes for marginalized and underserved groups by using membership and subscription-based platforms. Jubily simplifies the process of finding culturally responsive healthcare providers in medicine and mental health while providing online communities with peer support to help communities thrive.

Contact: Cyrell Roberson, cyrell.roberson@gmail.com

[Last Minute Gear](#) is the easiest way to get outdoor gear for camping, backpacking, climbing, and snowsports clothing. It's the only outdoor gear shop where you can buy, rent, or borrow gear. Last Minute Gear's mission is to make the outdoors more accessible while reducing waste and unnecessary overconsumption.

Contact: James Dong, james@lastminutegear.com

[Kingmakers of Oakland](#) is a national leadership development and systems change organization committed to fundamentally transforming the education system and building the capacity of people to design and sustain thriving and liberated systems, structures, conditions and culture to improve educational and life outcomes for Black boys.

Contact: Chris Chatmon, chris@kingmakersofoakland.org

[Neologix Engineering Labs](#) aims to introduce more low-income people of color, and especially women, into the fields of engineering, technology, and entrepreneurship. Neologix Engineering Labs has two goals: to give the underserved community an opportunity to own homes and become positive influences in their own communities, and to diversify the STEAM workforce so that dynamic cultures and communities can be represented.

Contact: Jeadil Vilchis, jeadil@neologixlabs.com

[Saba Grocers Initiative](#) is a grassroots initiative of corner store owners in Oakland founded in 2020. Saba's mission is to shift liquor stores to community stores by increasing produce inventory and healthy products on the shelf of small businesses. Saba works with each corner store owner on a transition plan to increase healthy produce in a safe and responsible way considering market growth strategies and community engagement tools to anchor each corner store as a grocery store. The majority of stores are located in East and West Oakland.
